

**Xavier Confidentiality/
Faculty-Staff Protection Form**

I have shared an incident with _____ and requested that this information be kept confidential. It has been explained to me that the University has a process to support me through reporting and taking any action that I might decide on. I also understand that the incident has to be recorded but no identifying information will be divulged.* The signing of this document does not mean that I cannot call the hotline for an advocate and report at a later time if I so desire.

*The University maintains statistics on all alleged incidents of harassment, assault, and/or rape. Faculty and staff who receive information on any such incidents, event if it is not to be officially reported, should call an advocate at 513 745-1000 and provide the nature of the incident and in the case of rape whether it happened on or off campus. Thank you.
