

**CAREER SERVICES CENTER &
MULTICULTURAL AFFAIRS
XAVIER UNIVERSITY**

In an effort to connect with organizations that embrace and support the incorporation of diversity in the workplace, the Career Services Center and Multicultural Affairs created the Diversity Reception, an annual event in conjunction with our Spring Career & Internship Fair on March 2008. This event allows for organizations and students from diverse backgrounds to build relationships that will hopefully translate into internship and full time opportunities.

Through the sponsorship of organizations such as yours we will be able to provide our students with officially engraved name badges, business cards, and portfolios to assist them in their job and internship networking.

Sponsorship not only allows for you to collaborate with us in the success of the Reception, but enables you to enhance your visibility on-campus. In addition, the unique venue connects you with students from diverse backgrounds, which will promote your networking efforts and diversity recruitment!

Become a partner with us to ensure a diverse workplace!
