## Perspectives

### ***Creative Perspectives***

Creative Perspectives courses are primarily offered by the Art and Music and Theatre Departments. If you would like to teach a Creative Perspectives course, submit your request to the more appropriate of those two departments, who will review it and make a recommendation to CCC.

<https://www.xavier.edu/core/facstaff/fys-core-course-details/fs-libarts-creative>

### ***Historical Perspectives***

Historical Perspectives courses are primarily offered by the History Department. The courses focus on different periods, places, and regions depending on the instructor. If you would like to teach a Historical Perspectives course, submit your request to the History Department Chair, who will review it and make a recommendation to CCC.

<https://www.xavier.edu/core/facstaff/fys-core-course-details/fs-libarts-historical>

### ***Mathematical Perspectives***

Mathematical Perspectives courses are offered by the Mathematics and Computer Sciences Departments. If you would like to teach a Mathematical Perspectives course, submit your request to the Mathematics or Computer Sciences Department Chair, who will review it and make a recommendation to CCC.

<https://www.xavier.edu/core/facstaff/fys-core-course-details/fs-libarts-mathematical>

### ***Philosophy Perspectives***

Philosophical Perspectives courses are offered by the Philosophy Department. If you would like to teach a Philosophical Perspectives course, submit your request to the Philosophy Department Chair, who will review it and make a recommendation to CCC.

<https://www.xavier.edu/core/facstaff/fys-core-course-details/fs-libarts-philosophical>

### ***Scientific Perspectives***

To apply for a Scientific Perspectives Course, review the [description](#) of a Scientific Perspectives Course, and then complete the two items as outlined on this [website](#): <https://www.xavier.edu/core/facstaff/fs-libarts-scientific/apply-for-scientific-perspectives-course>

Email your brief Explanations and Course Syllabus to the Core Curriculum Committee.

### ***Theology Perspectives***

Theological Perspectives courses are offered by the Theology Department. If you would like to teach a Theological Perspectives course, submit your request to the Theology Department Chair, who will review it and make a recommendation to CCC.

<https://www.xavier.edu/core/facstaff/fys-core-course-details/fs-libarts-theological>

## Electives

### ***Humanities Elective***

Traditionally, Humanities Electives are taught by the Classics, English, History, Modern Languages, Philosophy, and Theology departments. If you would like to teach a Humanities Elective Course and are not part of these departments, [submit your request to the CCC](#), who will review it and pass it on to the respective chair(s) of the Humanities Department. Application Materials include i) a course syllabus, ii) description of the instructor's approach to teach the material, and iii) a CV. To apply, please follow these [guidelines](#).

### ***Natural Science Elective***

Natural Sciences Elective courses are offered by the Biology, Chemistry or Physics Departments. If you would like to teach a Natural Sciences Elective course, submit your request to the one of these department chairs, who will review it and make a recommendation to CCC.

<https://www.xavier.edu/core/facstaff/fys-core-course-details/fs-natsciences-elective>

### ***Social Science Elective***

Social Sciences Elective courses are offered by the numerous departments. If you would like to teach a Social Sciences Elective course, please send an email to: [lebesmuehlbachert@xavier.edu](mailto:lebesmuehlbachert@xavier.edu) (see <https://www.xavier.edu/core/facstaff/fys-core-course-details/flag-submission-quick-links>)
