To the Xavier Community,

I am outraged and deeply troubled by recent racist images connected to Xavier students. Racist actions are unacceptable on our campus, and we have mechanisms to respond in a responsible and thoughtful manner. When one of us falls short, we all fall short.

Many of our students, of all races, are in pain over this. Steps are being taken to make sure that all members of the Xavier community know that we must act with integrity, justice and generosity, in solidarity for and with each other. Please be assured this is being addressed on campus through a variety of channels.

I will personally continue to stay on top of this and keep you updated.

Cordially,

Mike Graham, S.J.
