

## Spelling Fusion **Sf**

**Spelling Fusion** combines:  
Vocabulary.... Spelling .... Listening all in one program

How to get started:

1. Click on the **Sf** icon on the computer screen.  
←A screen like this one will open up.
2. Click on a **Group**, for example, *People* or *The Home*
3. In the box, choose a **Topic**, for example, *outside the house* or *inside the house*. (Some groups do not have topics.)
4. Choose a level: Click on **Level** to select Level 1 (Basic words) or Level 2 (more advanced words)

Click **Learn** to begin the lesson.

For each headword you have:

- \* photo or animation
- \*pronunciation of singular and plural forms (important!)
- \*spoken and written context sentence
- \*four spelling activities for each of the singular and plural word forms

Letters—Type in the missing letters    c o \_ \_ p u \_ \_ \_ r

Word-- Spell the whole word    \_ \_ \_ \_ \_ \_ \_ \_ \_ \_

Sentence --Type the word into a sentence:

I bought a new laptop \_\_\_\_\_ last week.

All words: Like a mini dictation (spell the whole sentence)

Syllables—click on the number of syllables

---click on the stressed syllables (great for pronunciation)

## Spelling Fusion **sf**

Click on **Test** for some **listening** and spelling activities.

**Spelling:** Listen carefully for word endings and spell singular and plural forms!

**Listening:**

Level 1: Listen to 1 word. Read 4 words. Click the word you hear.

Level 2: Listen to 3 words. Read 8 words. Click the words you hear.

(This is great listening practice!)

To check each answer, click on 

To go the next question, click on 

Click on **Games** for **vocabulary** and spelling practice.

Level 1: **Ordering** “Drag and drop” 4 words in alphabetical order.

**Jumble** Click **hint** to see a picture. Drag and drop letters to spell words. This is a good vocabulary builder!

**Matching** Match words and pictures.

Level 2: **Jumble** Click **hint** to see a picture. Drag and drop letters to spell words.

**Word Finder** Make new words: (From “democracy” make “cry” “made”, “cream” etc.)

**Matching** Match words and pictures.
