Changes to the core recommended by the CCC will be handled as other changes to the curriculum, being sent to the Board of Undergraduate Studies for approval or returned by BUGS to the committee for revisions. As with other changes to the curriculum, once approved by BUGS, the recommendations will be put before the Faculty for a vote of approval.

Staggered terms will be determined by lot within each college's representatives, so that each college will have one member serving one year, one member serving two years, and one member serving three years in the first cycle.
