

## **Tuition Exchange**

### ***Incoming Students***

#### *2010-2011 Academic Year*

Awards in the Tuition Exchange Program are made on a competitive basis. In order to be eligible for a scholarship, the student's parent institution must submit the necessary certification via the Tuition Exchange web site in the fall semester, prior to the student's attendance. The application for admission should be completed as soon as possible. The deadline for completed applications is February 15. Starting the end of February, all applicants who have completed the admissions process and have been accepted to Xavier will be reviewed. Students will primarily be selected on the basis of their academic record (SAT and ACT scores, high school GPA).

By March 1 students will be informed if they have been selected for the full-tuition scholarship award. Students will have until March 15 to accept the award. If after March 15 Xavier has not filled all the allocated awards, the remaining applicants will be considered again and notified if awarded.

Xavier expects to award (annually) 10-15 full-tuition scholarships in the Tuition Exchange Program. General information as well as a listing of participating colleges and universities is available on the Tuition Exchange web site: [www.tuitionexchange.org](http://www.tuitionexchange.org).
