B. Meetings

Meetings are defined as a one-time or recurring (daily, weekly, twice monthly, monthly, etc.) usage of space which falls within normal operating hours and does not require the supervision of the Student Center staff or have special staffing needs - with the exception of AV assistance.

Furniture is not allowed to be removed from meeting spaces unless approved by GSC staff.

Facility space within the GSC will not be made available for Xavier academic classes. Classes are welcome, however, to utilize facility space for non-recurring class events.

C. Special Events

Special events are defined as non-recurring meetings such as the following: social functions, receptions, educational functions, banquets etc.

Special events generally require set-up and event specific details.

Reservation requests for such events must be submitted one month prior to the event.

Events above a certain expected attendance may require the presence of GSC Special Event Staff. This requirement is made at the discretion of the GSC.

Co-sponsored events with external groups: On occasion, an academic department, administrative office or student organization will work in co-sponsorship with a non-university entity. In these circumstances all activities must be coordinated by the Xavier University organization (reservation, setup requests, AV requests etc). The non-university entity and their activity must have a logical relationship to the campus mission of the XU sponsoring organization. Groups deemed as nonaffiliated with the university, not meeting the above requirements, will be treated as an external organization and will be subject to facility usage fees and additional reservation requirements.

D. Reservation Request Process

The students of Xavier University are the primary focus of the Gallagher Student Center. Therefore, student organizations, as recognized by Xavier University, have priority in the reservation process. The follow priority system is in place for all reservations in the Gallagher Student Center:

Tier I: Governance Bodies, University-Affiliated Organizations, Subordinate Bodies, Student Activities Council

Tier II: Recognized Student Organizations: Organizations who have met the guidelines to be considered registered and in good standing with the Office of Student Involvement. This group includes clubs, student working groups, and limited affiliation groups.

E. General Reservation Policies

a. All usage of reservable spaces in the GSC must have approved reservation through the Gallagher Student Center Office.

b. It is recommended that reservation requests are made 14 days prior to the meeting or event date (30 days for Special Events).

c. A request for space does not guarantee that a space will be assigned. The Gallagher Student Center reserves the right to reject any reservation that it determines programmatically and operationally too difficult to accommodate. Reservation requests may also be denied if the organization or event is in conflict with any university policies and/or if the event is not in keeping with the primary mission of the GSC or Xavier University.

d. A reservation request is not approved until confirmation has been sent by the GSC.

e. Equipment and Event Set-Up:
   i. Room set-up and equipment requests are to be placed at the time the room reservation is made.
      1. Any reasonable room set-up changes and equipment changes must be made by noon the day prior to the event. Any changes made to scheduled weekend events must be made by noon on Thursday.
   ii. Equipment within a space is allowed to be moved but must remain in the room and returned to its original set up after the event is over. **Exception:** furniture and equipment in the Arrupe Overlook can only be moved by GSC or SBM staff. Contact the Welcome Desk for immediate set-up changes.
   iii. The removal of permanent furniture from a space may be requested through the GSC office but is not guaranteed. The GSC determines if partial or full removal of furniture is allowed.
   iv. GSC equipment is not permitted to leave the facility.
   v. Reserving groups are responsible for any damages to GSC furniture and equipment during their reservation.
   vi. At no time may doors, fire exits, elevators, hallways, or foot traffic be blocked by an event or event set-up. All set-ups must observe fire code and ADA accessibility.
   vii. If additional furniture is needed beyond what the GSC has in inventory, the GSC staff will try to obtain the equipment from Physical Plant. If Physical Plant does not have the equipment, the group may rent from a University approved rental company. All costs are the responsibility of the sponsoring organization.
   viii. All furniture and equipment brought into the GSC must be approved by GSC before delivery and use.

f. No organization may request a location for another organization’s use. Event requests must be submitted by the intending organization and are not allowed to be transferred between organizations. For example, student organizations cannot reserve space in their name intended for use by a group external to the university.

g. Cancelations: Due to the limited availability and high demand of space within the GSC, it is asked that groups cancel room reservations upon deciding not to use the space.
   i. Internal Groups (Tiers I-III)- Failure to cancel a reserved space within two (2) days will result in a warning of policy violation followed by billing of full rental rate for following offenses.
   ii. External Groups (Tier IV)- Failure to cancel a reserved space within seven (7) days will result in being billed for half of the contracted rental rate. External groups who fail to cancel prior to the scheduled event will be responsible for the full rental rate.

h. GSC spaces cannot be reserved for overnight storage. Exceptions can be authorized by the GSC Manager or designee.

i. Xavier University recognized student organizations and departments are allowed one recurring reservation (weekly or monthly) in addition to three (3) special event reservations per semester. Exceptions can be authorized by the GSC Manager or designee.

The policy shall name Xavier University as an additional insured.

l. Signed Contract: All external groups engaging in an event on campus must have a signed agreement for services: [Xavier University Standard Facilities Use Agreement](#).
