BUCKLEY AMENDMENT WAIVER FORM

In compliance with federal law (Family Education Rights and Privacy Act of 1974), you have the right to review all university files and documents concerning you, including letters of recommendation or evaluations written about you. You may waive this right, which means that you no longer have access to your letter of recommendation written by the Health Sciences Committee. We believe that the professional schools interpret our letters as more honest and open if you do waive your right to see the letters. Most students choose to waive their right.

Please fill out this form completely and return it to the Health Sciences Committee with your autobiography.
