Services Available to the Student: Primary medical care; counseling and behavioral health services; wellness education programs; referral to health specialists and resources in the community - Health and Counseling staff are licensed in their respective disciplines, including medical doctors, registered nurses, and psychologists.

Days/Hours of Operation: Services are provided year round, Monday through Friday 8:30 AM - 5:00 PM.

Procedure for Obtaining Services: Appointments are required except for urgent situations. Call our appointment center at 513-745-3022, to schedule a confidential appointment.

Personnel Who Will Assist Students: Mary Rosenfeldt, MSN, RN (Health Services); Tim Barron PhD. (Counseling Services)

Health Insurance: All full-time undergraduate students are required to carry health insurance. This requirement may be satisfied by purchasing the Xavier-sponsored student health insurance plan (SHIP), or by providing proof of existing coverage under parents or another plan. Students are automatically charged for SHIP and may enroll in the plan but may also opt out by providing proof of coverage through the on-line waiver process and have the charge removed.

Student Health Fee
Students are charged a health fee each semester; the health fee entitles students to primary medical care, counseling and psychological services. The student health fee is $200.00 per semester and is added to the Bursar bill. For most services, there are no out-of-pocket expenses. There may be additional charges for immunizations, lab tests, medications, allergy injections, etc. Receipts will be provided for filing a reimbursement claim with your insurance plan.
