

**Application for International Grant
Xavier University – Fall Term 2011**

International Grant money is available to full time degree seeking freshmen or transfer international students who will begin their studies at Xavier University in the fall term.

The application for international grant must be submitted by February 1, 2011 to be considered for the grant. Students who are selected to receive the grant will be notified after the February 1st deadline. *Please note that this grant money is in addition to money that is awarded at the time of admission.*

All students are reviewed for academic scholarship; academic scholarships are awarded based on cumulative grade point average and the results of the SAT or ACT. Please refer to the Xavier Guidelines for Academic Scholarships for more information.
