Find an article in a database and copy the stable URL for the article. To accurately identify the article link see the XLinks instructions in the database description.

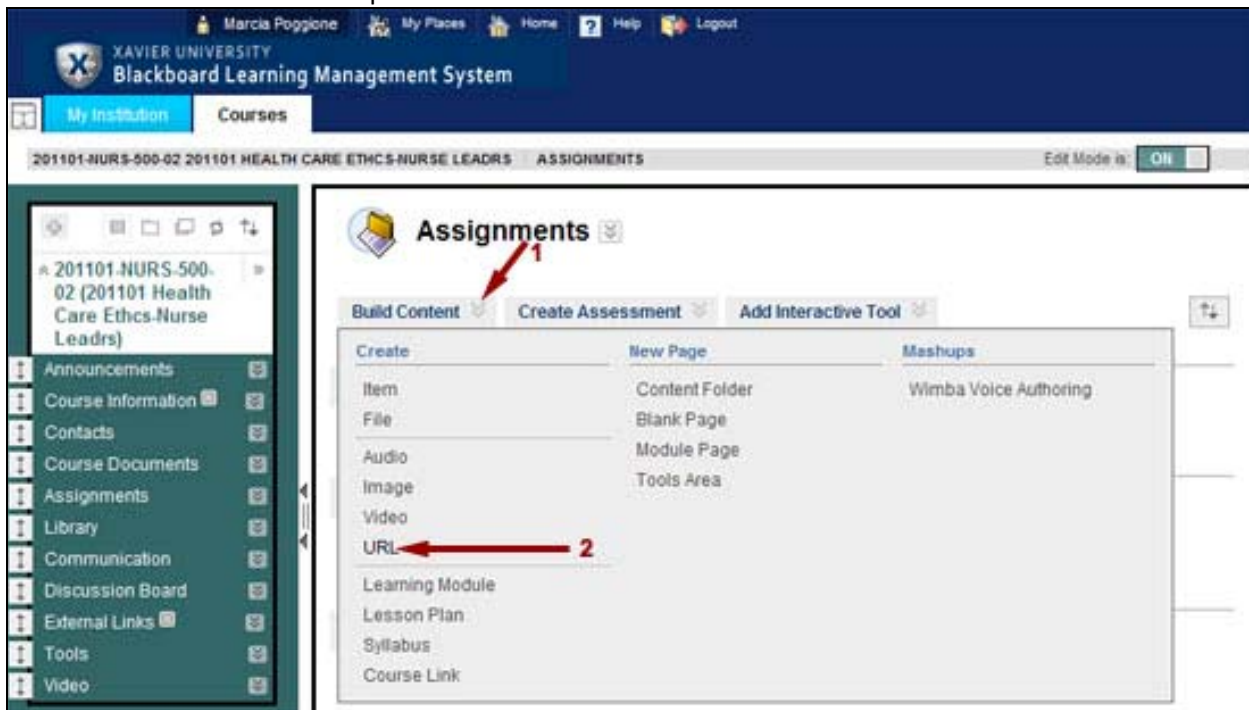

**Academic Search Premier** (1984-present; updated daily; much full-text; [RefWorks help](#); [XLinks](#)) is a multidisciplinary database that covers nearly all academic areas of study, including social sciences, humanities, education, computer sciences, engineering, language, linguistics, the arts, literature, medical sciences and ethnic studies. It indexes and abstracts over 4,300 journals, many of them peer-reviewed, and provides full-text for over 3,400 journals. It is produced by and the user interface is provided by EBSCO Publishing.

Go to Blackboard at <http://blackboard.xu.edu/>, login with your username and password, and select your course.

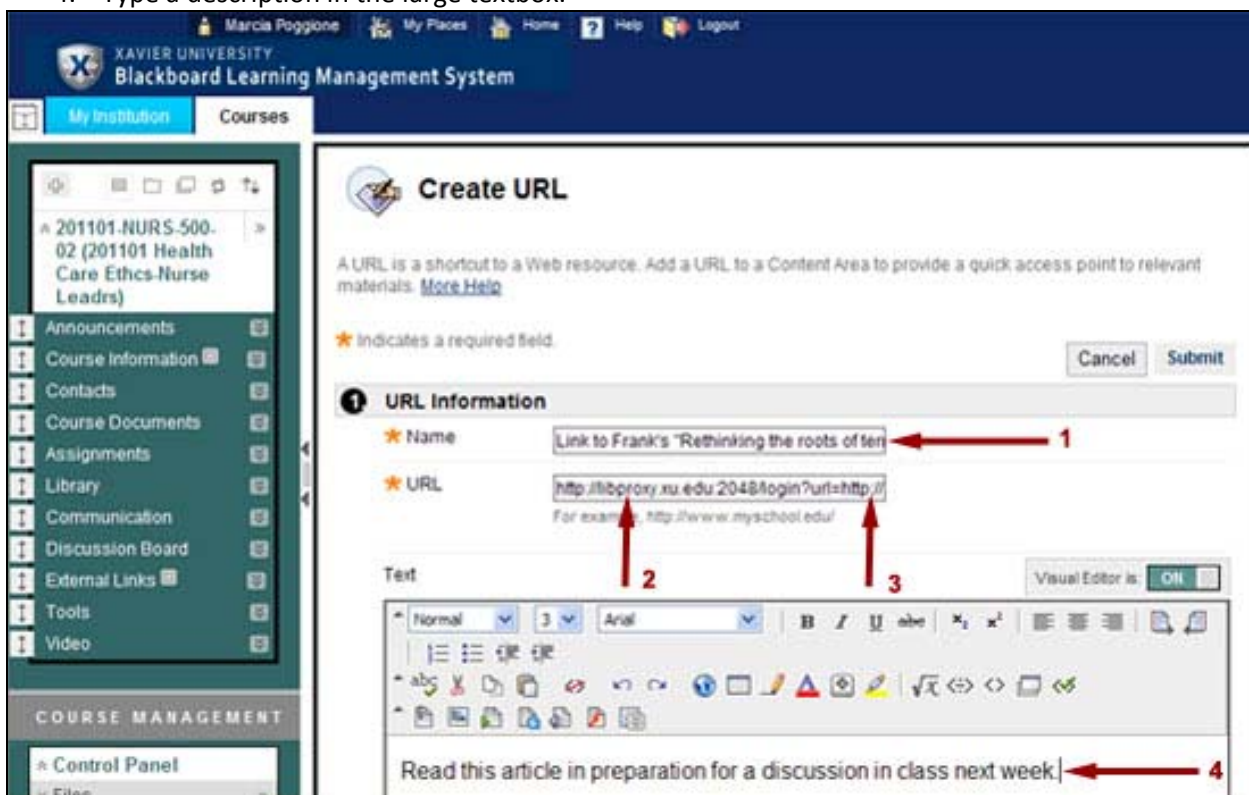

1. In the left menu on your course page click the content area where you want the link to appear; for example, *Assignments*.

The screenshot shows the Blackboard Learning Management System interface. At the top, there is a navigation bar with the user's name 'Marcia Poggione', 'My Places', 'Home', 'Help', and 'Logout'. Below this is the 'XAVIER UNIVERSITY Blackboard Learning Management System' header. The main content area is titled '201101-NURS-500-02 201101 HEALTH CARE ETHICS-NURSE LEADRS ANNOUNCEMENTS' and includes an 'Edit Mode is: ON' button. On the left, a navigation menu lists various course components: '201101-NURS-500-02 (201101 Health Care Ethics-Nurse Leads)', 'Announcements', 'Course Information', 'Contacts', 'Course Documents', 'Assignments', 'Library', 'Communication', 'Discussion Board', 'External Links', 'Tools', and 'Video'. A red arrow points to the 'Assignments' item in the menu, with the number '1' next to it. The main content area displays an 'Announcements' section with a 'Create Announcement' button and a post titled 'Course Documents/Assignments' by Margaret King, dated Wednesday, January 5, 2011. The post text reads: 'Please see Course Documents for all course materials. See Assignments section for study guides related to classes 2-6 and 9-10.'

1. Click the arrow next to Build Content.
2. Click URL from the drop-down menu.

1. Type a name for your link in the Name textbox.
2. Type the library's proxy link in the URL textbox: <http://libproxy.xu.edu:2048/login?url=>
3. Copy and paste the link to the article after the proxy link.
4. Type a description in the large textbox.

1. Scroll down to the Options area and click Open in New Window.
2. Click the Submit button.

The screenshot shows the Blackboard Learning Management System interface. At the top, there is a navigation bar with the user's name 'Marcia Poggione', 'My Places', 'Home', 'Help', and 'Logout'. Below this is the 'XAVIER UNIVERSITY Blackboard Learning Management System' header. The main content area is titled 'Courses' and contains an 'Attach File' section. This section includes instructions: 'Attach a file from a local drive or Course Files. All attached files are saved in Course Files. Click Do Not Attach to remove the attachment. The file itself is not deleted.' Below the instructions are two buttons: 'Browse My Computer' and 'Browse Course'. The 'Options' section follows, with a red arrow labeled '1' pointing to its title. It contains three radio button options: 'Permit Users to View this Content' (Yes selected), 'Open in New Window' (Yes selected, with a red arrow labeled '2' pointing to it), and 'Track Number of Views' (No selected). Below these are 'Select Date and Time Restrictions' with 'Display After' and 'Display Until' fields. At the bottom, a 'Submit' section has a red arrow labeled '3' pointing to the 'Submit' button, with a 'Cancel' button next to it.
