

How to search for videos and DVD's owned by the Xavier Library.

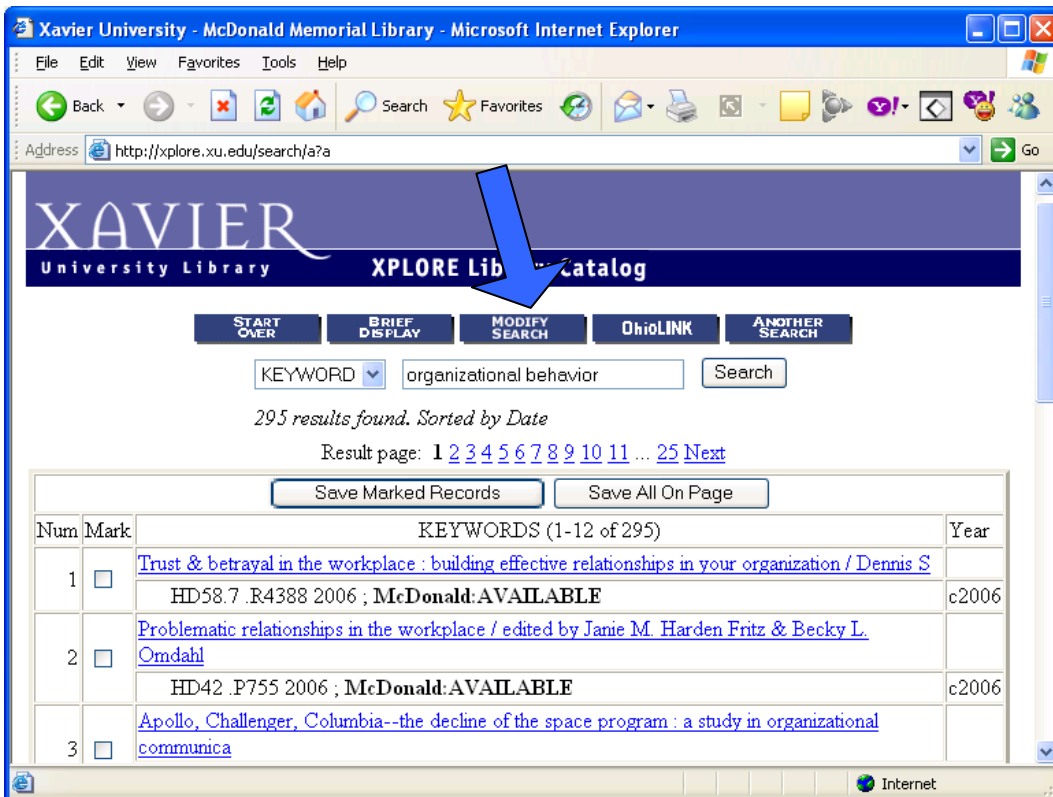

From the library's homepage, under "Finding Books/Media" select the XPLORE Library Catalog.

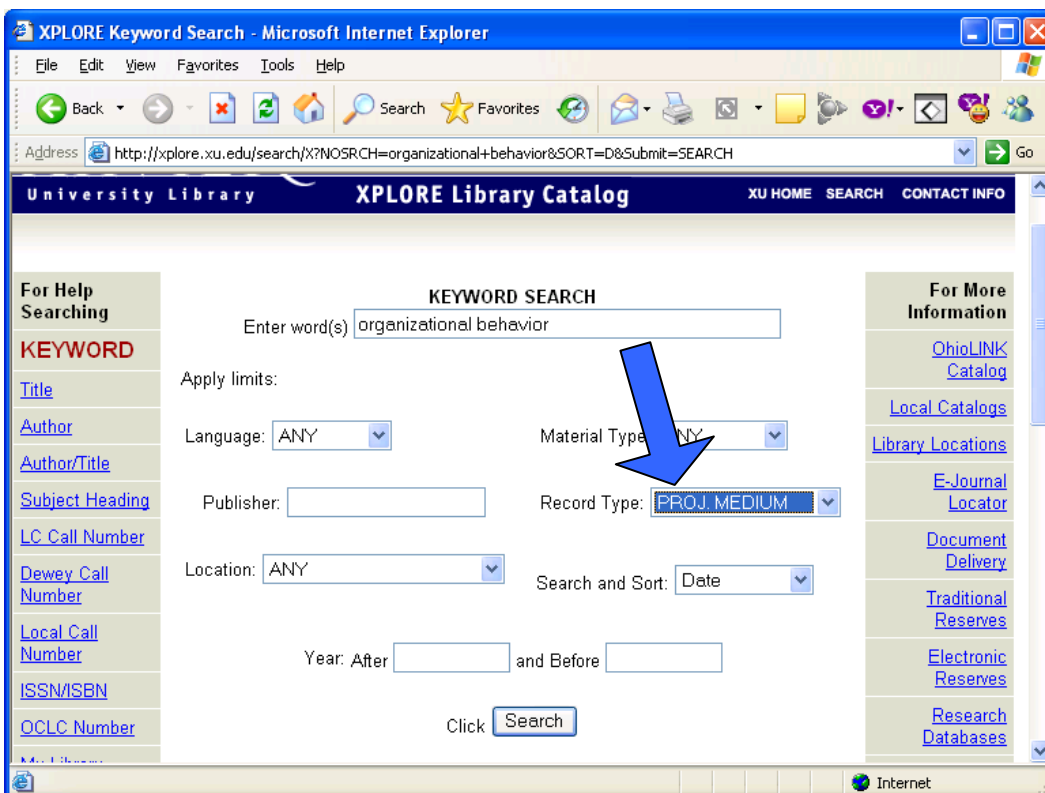

Type in your keyword(s) and click on "Search" button.

Here are the results. Click on the "Modify Search" button.

From “Record Type” select “Proj. Medium” and click on the “Search” button.

Here are the results now limited to video recordings, digital videos and DVD's for the keyword "organizational behavior". The DVD's and Videocassettes are located on the second floor of the Xavier Library.

The screenshot shows a Microsoft Internet Explorer browser window displaying the search results for 'organizational behavior'. The search is limited to 'PROJ. MEDIUM' records, and 10 results are found, sorted by date. The results are displayed in a table with columns for 'Num', 'Mark', 'KEYWORDS (1-10 of 10)', and 'Year'. The first five results are:
