

Typical Features of a Blackboard Course

Click the **My Institution** tab to get to **Expo Directory**, Blackboard's ePortfolio feature.

Click the **Courses** tab to get a list of all your Blackboard courses.

Click this icon to **Logout** of Blackboard.

Breadcrumbs show what page is currently displayed and allow you to navigate back to a previous page in Blackboard.

This is the **Main Menu** for the course.

Go to **Course Documents** for your syllabus.

Go to **Assignments** to see what projects you have to complete, what papers you have to write, and any other tasks you have to do for this course.

Go to **Library Support** to find books, journal articles and other library resources and services.

Go to **Tools** for the **Digital Drop Box** and **My Grades**.

Go to **Communication** to email your professor and/or the students in your class. This is also the place to go for the **Discussion Board**.

The default homepage for a course is **Announcements**. The most recent is first. You can get to **Announcements** from the left **Main Menu**, too.
