ZOTERO: INSTALLING ADDITIONAL CITATION STYLES

1. Open Mozilla FireFox
2. Using FireFox go to the Zotero styles page: http://www.zotero.org/styles
3. Search for the style or
4. Mouse over a style link to see examples of that style.

5. Click the title of the style that you wish to add to Zotero.
6. The Install Style pop-up window will open.
7. Click the Install button.

8. The next time you use Zotero to insert a citation or create a bibliography you will see your new citation style in the list of available styles.
