### Friday Focus

Professional and career development activities will be held on Fridays. Students are required to attend at least 4 events each semester.

*Prerequisites can be waived if the course was taken at the undergraduate-level within the last 5 years and a grade of B or better was earned. If not waived, courses must be taken over the summer.

**Students who choose to pursue an MBA concentration may be required to stay an extra semester due to course availability. All MBA elective courses are offered in the evenings during the week.
