MBA Study Grant Application

Academic Year: ______________________

In order to be considered for a MBA grant, this application must be completed along with the FAFSA (Free Application for Federal Student Aid). To complete the FAFSA, go to www.fafsa.ed.gov and submit the information online. You will need your tax return to complete the FAFSA. Xavier’s federal school code is 003144.

If you are NOT a US citizen or permanent resident, you do not need to submit a FAFSA to the Xavier Office of Financial Aid.

An MBA graduate study grant is awarded for one academic year only. It is not renewable or transferable. A student must submit an application before March 2nd to be considered for an award in the next academic year.

MBA graduate study grants are available for fully admitted MBA students only who are in good academic standing with a cumulative grade point average of 3.0 or higher. Provisionally admitted and MBA Plus students are not eligible for grant consideration. The grants are partial tuition awards, which are designed to assist students with financing their graduate study. Grant awards are made based upon financial need, merit, and the availability of funds. Therefore, grants may or may not mirror previous grants received.

YOU ARE NOT ELIGIBLE FOR AN MBA GRADUATE STUDY GRANT IF YOU:

- Receive full employer tuition reimbursement.
- Are awarded a graduate assistantship.
- Are a Xavier employee or employee’s dependent
- Receive any other Xavier grant or tuition discount.
