**Course Description:** This is the second semester of an intermediate French course for students who have credit for French 201 or have placed into the course by examination. Please consult with the instructor if you have questions regarding placement. The principal goals of language study are to practice the four language skills (speaking, listening, reading and writing) in order to learn to communicate in French (talk with others, express ideas in writing, read and understand what others have written) and to learn about the francophone world.

**Course Objectives:** You can expect to have obtained the following skills in increasing depth upon successful completion of each level of the course:

- \* You should be able to understand most French spoken at normal pace and develop skills and coping strategies for filling in the gaps of imperfect comprehension.

- \* You should be able to ask and answer questions on a variety of everyday, cultural and literary topics, describe people and places, narrate recurring (present) events. You should be able to narrate past and future events as well as express hypothetical situations in the present and in the past.

- \* You should be able to perform many daily routines, give advice and make suggestions.

- \* You will gain more experience in reading materials written for the native-speaking reader.

- \* You should be able to write and express opinions and feelings about everyday topics, descriptions of people, places, events, and about francophone culture.

In order to achieve these goals class attendance and participation are very important. Therefore, irregular attendance and/or lack of preparation or participation will result in a lower grade. (**Consult Attendance Policy pp. 6**)

These objectives prepare students to meet Standard 2b of the Xavier University Modern Language Standards.

**Required Textbook:**

\*\*Mitschke, Imaginez. Vista Higher Learning, 2008

*Supersite* is free with the purchase of Imaginez bundle (text, Student Activities Manual, Student Activities Manual Answer Key.)

Responsibilities of Students:

- \* Attend and participate in classes regularly.
- \* Listen and complete all activities in the lab workbook.
- \* Do the exercises in workbook and textbook.
- \* **Prepare the assignments before class.** The professor may or may not collect homework exercises from the text or from the workbook/lab manual; in either case, the student is responsible for preparing them as assigned and **turning them in at the date assigned by the instructor. Any penalty for late work will be determined by the instructor.** Students will have the opportunity to ask questions about all assignments.

- \* **Take all quizzes and exams at scheduled times.** Students are responsible for all material covered in class, in the text, in the workbook/lab manual, and for schedule changes announced in class.

- \* **Show respect for classmates and instructor by observing appropriate behavior in class** i.e. not interrupting or speaking when classmate/instructor is answering or explaining.

- \* **Electronic devices should be turned off during class and testing. Infractions will be reported to the disciplinary bodies of XU.**

**Irregular attendance and failure to do the assignments will affect your performance and final grade. (Consult Class Participation Criteria, pp. 6-7)**

**Testing:** There will be periodic lesson tests and a comprehensive final exam. Dates for the tests are listed on the syllabus. Format will vary. Each of the tests will consist of aural and written parts. Remember that after Lesson 1 each test presumes knowledge of previous material.

Make-up Policy:

**Tests, quizzes and final exams:** There will be **no make-ups** for tests, quizzes or final exams. The instructor will drop the lowest quiz grade of the semester. There will be no individual make-ups for tests, quizzes or final exams. **In verifiable cases of illness or emergency** (problems with work schedule or travel plans are not normally valid excuses), the grade from the next test will also be counted for the missed one. The student is responsible for notifying the teacher before the test or exam or as soon as reasonably possible. In no case may a student miss more than one test. A second missed test would be recorded as a 0. All final exams will be kept in the instructor's office.

**Evaluation:** The final grade will be computed as follows:

Tests .....	30%
Quizzes (oral and written).....	20%
Final Examination.....	15%
Class Participation/HW/Attendance.....	20%
Compositions.....	15%

<b>Grading Scale:</b>	100%-93%	A	76%-73%	C
	92%-90%	A-	72%-70%	C-

## **HOMEWORK GUIDELINES :**

*(It is recommended that you refer to these guidelines often throughout the semester.)*

1. **POUR COMMENCER:** Listen to the pronunciation of the vocabulary as presented on the supersite at the beginning of each lesson and practice by repeating each word or dialogues aloud. Do any additional vocabulary exercises listed on the supersite : <http://imaginez.vhlcentral.com> , as indicated by your instructor. Then, complete the “Pour commencer” exercises in the *Lab Manual* (pp. 101-160) portion of the *Student Activities Manual* in conjunction with the Mp3 files on the website. These exercises can then be corrected by consulting pp. 19-28 of the *Imaginez Student Activities Manual Answer Key*. Next, complete the workbook exercises (pp. 1-101) related to “Pour commencer” and correct with the *Answer Key* (pp. 1-18).
2. **COURT MÉTRAGE:** Listen to and repeat the examples given on the supersite and complete any exercises there that are assigned by your instructor. Then, with the assistance of the Mp3 files, complete the corresponding exercises in the *Video Activities* section of the *Student Activities Manual* (pp. 161-164) and correct them.
3. **IMAGINEZ:** Complete any activities assigned on the supersite for the “Imaginez” and “Galerie de créateurs” as well as those assigned in the *Student Activities Manual* workbook section and correct them.
4. **STRUCTURES:** Read the assigned pages in the textbook and, then, go to the supersite to complete any assigned exercises under “Structures” as well as “Synthèse”. Next, complete and correct the lab exercises followed by the workbook exercises.
5. **FICHES DE GRAMMAIRE:** Exercises in the text (pp. 390-429) will be assigned by the instructor.
6. **CULTURE:** Read the assigned pages in the text and, then, complete the related, assigned activities on the supersite.
7. **LITTÉRATURE:** Complete the “Préparation” exercises on the supersite and then read the selection in the text. Next, complete the “Analyse” exercises on the supersite followed by the assigned exercises in the lab manual portion of the *Student Activities Manual*. Correct the latter with your *Answer Key*.
8. **RÉDACTION:** ALL COMPOSITIONS should be keyboarded, double-spaced, peer-edited, and turned in at the beginning of the class for which they are assigned. Please consult the instructor if you do not know how to access the accent keys of your word-processing program. Topics will be assigned from the related workbook exercises.

9. **All assigned exercises need to be completed BEFORE coming to the class for which they are assigned.**

(THE INSTRUCTOR RESERVES THE RIGHT TO MAKE ADJUSTMENTS IN THE SYLLABUS TO MEET THE NEEDS OF THE CLASS.)

### I. ACADEMIC HONESTY

You should be aware of the University policy on Academic Honesty, excerpted here from pp. 54-55 in the 2006-2008 University Catalog. This policy applies to all courses in the Department of Modern Languages.

“All work submitted for academic evaluation must be the student’s own. Certainly, the activities of other scholars will influence all students. However, the direct and unattributed use of another’s efforts is prohibited as is the use of any work untruthfully submitted as one’s own.

Penalties for violations of this policy may include one or more of the following: a zero for that assignment or test, an “F” in the course, and expulsion from the University”

Your instructor may use plagiarism detecting software, such as Turn-It-In, to review your written assignments. As you can see, penalties for violations can be severe, so you are encouraged to submit only your own work in all your classes.

### II. Department of Modern Languages ATTENDANCE POLICY

The Department of Modern Languages at Xavier University strives to increase the student’s fluency and competency in listening, comprehension, speaking, reading, and writing while providing a solid grammatical background for the modern language offered. The focus is on a communicative and proficiency-based approach while providing an in depth exposure to the workings of both language and culture of the target language. A significant key to success in a modern language course which teaches a skill and moves at a fast pace is regular class attendance.

The entire range of the students’ skills can be evaluated only if they are in class. Therefore, we will allow NO absences without penalty. Any absence will result in a loss of 3% per absence from the student’s final course participation grade. Attendance will be accurately documented to ensure fairness in enforcement. If a student is more than 5 minutes late, he/she will be COUNTED AS ABSENT. Students are strongly discouraged to schedule appointments or interviews during class time.
