Nothin' But The Blues

Featuring
Byron Stripling
and his
Blues All Stars

**Gallagher Student Center
Theater**

With a contagious smile and captivating charm, trumpet virtuoso Byron Stripling, has thrilled audiences internationally. Byron earned his stripes as lead trumpeter and soloist with both the Count Basie and Woody Herman Orchestras. He has performed as a soloist frequently with the Boston Pops as well as with ten other Symphony Orchestras throughout the country including the Cincinnati Pops.

An accomplished actor and singer, Stripling was chosen to star in the lead role of the Broadway musical band on Louis Armstrong's life, "Satchmo".

This performance will be Byron's third appearance before Xavier audiences. He has figuratively blown the roof off of Gallagher entertaining us with his vocals and jazz interpretations.

Byron will be accompanied by an All Star Group of excellent musicians. A featured performer will be pianist Bobby Floyd. Floyd will play a Hammond organ delivering some down-home soul and bluesy sounds never before heard at Gallagher. Floyd broke up our audience at Kenwood Country Club two years ago with his bluesy, funky playing. Bill Gemmer, John VonOhlen, Hal Melia, and Chris Berg complete this swinging group.

This concert will really rock Gallagher – you will want to be there.
