

XAVIER POLICE CRIME STOPPERS REPORTING LINE (513)709-STOP 7867

Many crimes go unreported and many people share the consequences and cost of another persons actions. (i.e. Xavier property and Residence hall damage.)

The Xavier Police Department has created a "Crime Stoppers", phone reporting line that you can call or text and report any crimes or suspicious activities on campus.

Leave a message with as much detailed information as you can and it will be investigated thoroughly.

If your tip leads to an apprehension or solves an open case, you may be eligible for a reward.
