School Counseling Graduates' Comments

Evaluation Period Fall 2005 – Spring 2008

“Overall, I am very satisfied with my Xavier experience.”

“I think it would be helpful to have more agreements with agencies, schools and hospitals for practicum and internships. Overall- I received an excellent education which is helping me in my current job. I was also well prepared for the Praxis II exam.”

“I enjoyed my time at Xavier and learned a lot. I felt very prepared in most aspects of being a school counselor and I owe that to the professors. Thank You!”

“I can't say enough about the quality of the instruction from the full-time professors in the counseling program. Each brought a professional and interesting approach to the classes they teach. I learned a tremendous amount about counseling while at Xavier. Perhaps even more importantly, each of the professors left me with a desire to learn more. Thanks for your tremendous efforts!”

“What I most appreciated:

1. Modeling of techniques by professors
2. Helpfulness of faculty and sensitivity to student needs
3. Frequent opportunities to demonstrate {my} abilities thru projects/assignments.”

“I really enjoyed my counseling program and am glad I chose Xavier. I would recommend adding more “school” emphasis to the school counseling program, especially for those of us who are not teachers and who have never worked in a school.”

“I loved the program (esp. the professors) and recommend it to everyone.”

“A wonderful program! I have recommended it to many people interested in obtaining a MA in Counseling.”
