School Counseling Intern Student Comments

Evaluation Period Fall 2005 – Spring 2008

“My experience at Xavier has been wonderful. The professors were always willing to help me on papers or be a well-needed sounding board. The graduate program was enjoyable and the time flew by. At times some of the classes seemed to be more geared toward community counseling instead of an equal share of community and school. I had a great time attending Xavier and will recommend this program to anyone.”

“Overall this has been a wonderful experience. I feel fortunate to have gone through this program and believe I am well equipped for the counseling profession. The professors were knowledgeable and helpful if further assistance was needed. Thank you for your dedication to the counseling students.”

“This program has been challenging. It has given me opportunities to begin a different career and much insight into what counseling in schools is all about. I have really enjoyed it.”
