

Advanced Leadership Institute

2009-2010 Application Packet

What is the Advanced Leadership Institute?

The Advanced Leadership Institute (ALI) is a cohort-based leadership program for upperclass students. This group of 20-25 juniors and seniors will participate in a six-part series of leadership discussions facilitated by campus professionals. Each session provides an opportunity for participants to explore leadership topics essential to professional success. The sessions involve collaborative discussion, peer-to-peer learning, reflection and action planning.

The goal of this initiative is to better prepare Xavier students with the leadership abilities to tackle the complex issues in their careers, communities, and beyond.

Who Qualifies?

ALI is designed for full-time Xavier juniors and seniors. Participants must be able to attend all six sessions and maintain a cumulative GPA of 2.5. This program is ideal for students with an interest in furthering their understanding of leadership and sharing your experiences with your peers. ALI is open to individuals who currently hold a campus leadership position or who might be looking for a new leadership role.

Advanced Leadership Institute Outcomes:

- Students will engage in shared learning as both learners and teachers.
- Students will participate in open and collaborative discussion about leadership.
- Students will develop leadership skills and abilities applicable in collegiate and professional settings.
- Students will foster a positive attitude of and appreciation for the unique nature of self.
- Students will learn from and with people of diverse backgrounds and experiences.
