**Student Organization Academy**

The Student Organization Academy is a place where Student Organizations can gather, ask questions, and learn how to maximize their experience in their organization. We hope that you and your organization can engage in this community to make the best of your experience.

**Why you should get excited about the Student Organization Academy?**

- 1 day of activities, panels, and workshops.
- Any Student Organization you’re part of can attend.
- Meet new people and share ideas on what to do for your organization.
- Expand your knowledge and engage with other leaders and organizations.
- Discover new projects and ideas for your organization.
- Grow your leadership style.
- Access new resources and learn from those who face challenges similar to yours.
- Access resources and learn from resources.
- Get in touch with other leaders and professionals in a relaxed setting.
- Resources and Quills will be open spoken.
- Free registration.
- 10 workshops to help you generate ideas for events, programs, fundraisers, manifestations, and more.

We’ve gathered faculty and staff from across the university who will present on topics relevant to leaders of student organizations. These professionals are experts in their field and can provide you insights on your organization's development. Their knowledge and experience are valuable resources to help you grow your organization and make it stronger than ever before.

Our keynote speaker for the Student Organization Academy is known for his deep insights and extensive knowledge in the leadership sector. As the former three-term mayor for the City of Christchurch and Christchurch City Council, he brings a wealth of experience to the event. His expertise on leadership development is unparalleled, making him an ideal选择 for keynote speakers.

The Student Organization Academy is open to anyone interested in learning more about student organizations and leadership. Whether you're a first-time leader or have been leading your organization for years, there is something for everyone at this event.

**Who should attend?**

The event is open to students, faculty, and staff who are interested in leadership and organization. It is especially beneficial for first-time leaders or those who want to learn more about student organizations and leadership development.

**Organizational Development**

**Application & Recruitment**

Application & Recruitment is the process of attracting and selecting new members for your organization. Here are some of the most important strategies for success:

- Develop an authentic and inviting presence
- Create a strong and consistent message
- Build a compelling call to action

**Office Transition**

Mandatory Student Officer (Office of Student Involvement)**

**Ongoing**

Building a formal system of transition from one year to the other is essential for the stability and success of your organization. This is especially true for organizations that plan to transition or transform over the next few years.
