Contact E-mail	info@prokidscasa.org

Volunteer Opportunities: After completing training, each CASA volunteer is assigned to advocate on behalf of a child. The CASA volunteer establishes a relationship with the child, investigates and watches over the child, and challenges the system to provide what is in the best interests of the child. In addition, children in foster care have occasional court hearings where important decisions are made regarding the child’s future. The CASA helps ensure that the child's needs are not forgotten.
