## MICHAEL D. KLAUS

J.D., Georgetown University Law Center, 2006

Dean's Scholar; Editor, Georgetown International Environmental Law Review

B.A., Xavier University, 2003 Summa Cum Laude

Mike Klaus is an associate in the Washington, D.C., office of Wilson Sonsini Goodrich & Rosati, where his practice focuses on renewable energy finance, project development, corporate finance, and mergers and acquisitions involving energy and clean technology companies. Mike has extensive experience with all types of renewable energy technologies, including biofuels, biomass, solar, wind, and fuel cell technologies. Prior to joining the firm, Mike was an associate at Skadden, Arps, Slate, Meagher & Flom.

Please contact Dr. Daewoo Park for this seminar: 745-2028 or parkd@xavier.edu
