

Finding the Career that Fits

Date: November 9, 2009

Time: 5:00-6:00 pm

Location: XMBA Room

CareerLeader is an online, self-assessment that will assess your core interests, skills and motivators and provide a detailed profile of potential career matches that are best suited for potential success.

Students will complete the online assessment at their leisure prior to attending this workshop. This session will focus on how to interpret your results and identifying your next steps toward a satisfying career!

*RSVP to Mary Hunley at hunleym@xavier.edu.
Instructions will be provided on how to access the CareerLeader
Assessment.*
