Teepa Snow is one of the world’s leading specialist in dementia. The Positive Approach program, developed by Teepa, optimizes services for professionals and care partners of persons with dementia. In her keynote, Teepa will lead participants involved in caregiving to recognize and use humor to create a more positive and effective partnership.

Laura Trice, MD
10:45-noon
Reducing Risk of Dementia—A Roadmap for the Future

Dr. Trice applies evolving evidence to answer the important question, “Is there anything I can do to reduce my risk of Alzheimer’s Disease?” She will discuss a precision medicine approach to preventing Alzheimer’s Disease.

SESSION INFORMATION

SESSION I 1:00 p.m. —2:30 p.m.
The Parkinson’s Revolution—Power of Exercise
Lisa Coors demonstrates how exercise combats many of the symptoms of Parkinson’s Disease.

Environmental Changes—A Montessori Approach to Dementia Care—Kathy Farfsing shows how small changes in the living environment facilitates independence.

SESSION II 2:45 p.m.—4:15 p.m.
Mindfulness in Dementia Care
Michelle Hall & Cathy Cebulski-Sacco apply the practice of mindfulness in the treatment of persons with dementia and their caregivers.

Spirituality Care—Krista Powers & Thom Powers examine the care of each person’s core including spiritual foundations and inter-connectedness with others.
