

XAVIER UNIVERSITY

DEMENTIA CARE SUMMIT

Holistic Approaches to Enhance Life

This year's theme focuses on holistic approaches to enhance the quality of life of those living with Alzheimer's disease and dementia. Conference participants will learn and experience care approaches related to physical, spiritual, cognitive, and environmental aspects.

Humor and Caregiving – Learning How to Laugh!

Keynote speaker
Teepa Snow, MS, OT-R/L, FAOTA

In her interactive style, Teepa will engage participants in how to recognize and use humor to create a more positive and effective partnership.

Reducing the Risk of Dementia—A Roadmap for the Future.

Laura Trice, MD
Dr. Trice applies evolving evidence to answer the

important question, “Is there anything I can do to reduce my risk of Alzheimer’s Disease?”
