This year’s theme focuses on holistic approaches to enhance the quality of life of those living with Alzheimer’s disease and dementia. Conference participants will learn and experience care approaches related to physical, spiritual, cognitive, and environmental aspects.

Humor and Caregiving – Learning How to Laugh!
Keynote speaker Teepa Snow, MS, OT-R/L, FAOTA

In her interactive style, Teepa will engage participants in how to recognize and use humor to create a more positive and effective partnership.

Laura Trice, MD

Dr. Trice applies evolving evidence to answer the important question, “Is there anything I can do to reduce my risk of Alzheimer’s Disease?”

Breakout Sessions
The Parkinson’s Revolution – Power of Exercise – Lisa Coors
Environmental Changes: A Montessori Approach to Dementia Care – Kathy Farfsing
Mindfulness in Dementia Care – Michelle Hall and Cathy Cebulski-Sacco
