RELEVANT EXPERIENCE:

Camp Counselor

Camp ABC, Dayton, OH

- Facilitated activities such as nature walks, field games, indoor games, arts & crafts, and education for children, ages 6-17, with either chronic health conditions and/or those living in inner city Cincinnati.
- Collaborated with co-workers during 3-6 day camps, to ensure children participation in activities that helped them build friendships, learn about teamwork, improve manners, unlock their potential, and give them joy.
- Communicated with guardians of the campers and owners of the organizations we worked with to aid in creating family camps for the closest loved ones of those affected by the chronic health conditions in order to help families network, educate each other, and support one another through the illnesses.

Adaptive Aquatics swim lesson instructor

Cincinnati Recreation Commission, Division of Therapeutic Recreation, Cincinnati, OH

• Led recreational and educational individualized one-on-one swimming classes for children and adults, ages 3-40, with developmental and/or physical disabilities to help them become more comfortable and confident in the water.

Camp counselor

Cincinnati Recreation Commission, Division of Therapeutic Recreation, Cincinnati, OH

- Helped young adults with developmental disabilities by organizing and supervising individual and group activities such as swimming, sports, playground time, field time, crafts, snacks, and indoor activities.
- Assisted campers in developing skills such as time management, following directions, calming their bodies, and appropriate social interactions.

Student Participant

XU Service Learning Trip, Guatemala

• Educated workers at facility that housed individuals with severe developmental delays on how to increase the quality of life for the residents and workers, which resulted in an in-service presentation during which our team presented a document with ideas on how to manage the facility and provide occupational therapy services and different instruments and tools to incorporate into those services.

Speech therapist Summer Camp Aid

Professional Speech Services Inc., Sunbury, OH

• Aided the speech therapists with the preschool and Kindergarten-aged children by providing supervision, giving more individualized attention, playing, teaching basic schooling and social skills, and by retrieving supplies, and setting up and cleaning up activities.

"Volunteen"

Mercy West Medical Center, Seattle, WA- OT & PT Dept

• Aided occupational and physical therapists in group sessions for preschool age children with autism and individual sessions for children ages 3months-12 years with various diagnoses
