

Dear Xavier Community,

Faculty, the Student Success Center, and others across the university have been preparing and advising for Fall 2020 priority registration for the last month. We recognize the importance of having sufficient preparation, so as a result of moving Spring Break and the end of the term for Spring 2020, we are also going to shift registration for Fall 2020 and Summer 2020 by a week, as well as several other key dates. The Office of the Registrar will be making these adjustments to the University Calendar in the coming days.

Students already have been assigned their original registration time tickets and the Office of the Registrar will update those time tickets to shift by one week. **The weekday and time of day will not change, they will simply be shifted forward by one week.** These updates will be completed by the end of the day, Monday, March 16.

- The start of Fall 2020 priority registration will move from March 23th to March 30th and the start of open registration will move to April 6th.
- Summer 2020 registration will begin on March 30th.
- We will also move the Spring 2020 withdraw date by one week from April 14th to April 21st.
- The official Spring 2020 degree conferral date (which is used on transcripts and diplomas) will be changed from May 8th to May 15th.

Please note that with the Spring 2020 semester end date changed by a week, there will be an one-week overlap with our Summer 2020 two-week Intercession (which runs from May 11th – May 22nd). This will not be changing and the start dates for the Summer Sessions in 2020 remain the same as previously scheduled.

Our faculty and staff are ready to support our students through the registration process and the remainder of this semester. Xavier University continues to be committed to protecting the health, wellbeing and safety of our students, faculty and staff. Visit [Xavier's COVID-19 website](#) for updated information. A call center continues to be available to students and their families on Sunday and Monday from 10:00 a.m. to 4:00 p.m. to answer questions at 513-745-1010.

Best,

Melissa Baumann
Provost and Chief Academic

Aaron Meis
Vice President and Chief Enrollment and Student Success Officer
