

## Interventions for Alcohol Policy Violations

<b>First Offense</b>	<b>Second Offense</b>	<b>Third Offense</b>	<b>Fourth Offense</b>
<b>Objective</b>	<b>Objective</b>	<b>Objective</b>	<b>Objective</b>
<p>-Provide curriculum based education geared toward increasing student’s knowledge of their alcohol/substance misuse issues.</p> <p>-Reduce risk for future AOD related problems.</p>	<p>-Provide brief motivational intervention that increases coping skills, knowledge and insight necessary to decrease further AOD abuse.</p> <p>-Minimize severity and frequency of AOD related consequences.</p>	<p>-Provide treatment services for students who continue to show maladaptive patterns of alcohol or other drug abuse.</p> <p>-Reduce maladaptive AOD abuse patterns and prevent long-term impairment.</p>	<p>-Provide an individualized therapeutic plan of care for those students’ who have not responded to previous AOD interventions and continue to make harmful choices regarding alcohol or other drugs.</p>
<b>Outcome</b>	<b>Outcome</b>	<b>Outcome</b>	<b>Outcome</b>
<p>Typical student conduct sanctions for students found responsible for a first alcohol policy violation include but are not limited to:</p> <p><b>Participation in a 90-minute educational group (i.e., CHOICES or similar program).</b> There is a \$25 registration fee for all mandated students.</p> <p><b>“Written Warning”*</b> More severe sanctions may be assigned at the discretion of the hearing officer.</p> <p>There are additional fees and consequences for failure to complete the program. <i>*see referral card for enrollment instructions</i></p>	<p>Typical student conduct sanctions for students found responsible for a 2nd alcohol policy violation include but are not limited to:</p> <p><b>Participation in 2 individual therapy sessions (i.e., BASICS or similar curriculum).</b> There is a \$50 registration fee for all mandated students.</p> <p><b>“Residence Life Probation”*</b> More severe sanctions may be assigned at the discretion of the hearing officer.</p> <p>There are additional fees and consequences for failure to complete the program. <i>*see referral card for enrollment instructions</i></p>	<p>Typical student conduct sanctions for students found responsible for a 3rd alcohol policy violation include but are not limited to:</p> <p><b>Participation in 8 individual or group therapy sessions (i.e., Alcohol Skills Training Program or similar curriculum).</b> There is a \$75 registration fee for all mandated students.</p> <p>Those currently on Residence Life Probation will face the possible sanction of "Removal from University-owned housing." <b>“University Probation”*</b> More severe sanctions may be assigned at the discretion of the hearing officer.</p> <p>There are additional fees and consequences for failure to complete the program.</p>	<p>Students who are found responsible for a 4<sup>th</sup> alcohol policy violation and who are currently on University Probation will likely face a sanctions of <b>“Suspension”*</b>. Suspension involves the exclusion of the student from participation in any academic or other activities of the University for a specified period of time. Suspension may be in addition to any other sanction that is judged to be of value to the student and in this case will likely include the requirement that the student provide documentation of successful completion of an alcohol treatment program prior to their return to campus.</p> <p><b>*More information about the student conduct process and sanctions may be found in the Student Handbook.</b></p>
