There is a rising tide of hatred affecting all minority communities in the US.

According to newly released FBI data, reported hate crimes rose 17 percent in 2017, the third consecutive year that such crimes increased. And the ADL reported a 60% rise in antisemitic incidents in 2017, the largest single-year increase on record.

Learn from the the best and brightest local and national experts on combatting antisemitism and all forms of minority hate in a one-day summit which will include:

- Keynote Presentations
- Workshops
- Panel Discussions
