*A cohort default rate is the percentage of a school's borrowers who enter repayment on certain Federal Family Education Loan (FFEL) Program or William D. Ford Federal Direct Loan (Direct Loan) Program loans during a particular federal fiscal year (FY), October 1st to September 30th, and default or meet other specified conditions prior to the end of the second following fiscal year. Please refer to the Cohort Default Rate Guide for a more in-depth description of cohort default rates and how the rates are calculated.
