Acquiring this documentation is your responsibility. You must be able to provide documentation to the school to which you are assigned and as part of the field requirement for the course. It may take several weeks to receive the results, so please be proactive in obtaining them before your field placement begins. Information regarding obtaining these documents is provided below.

*Please note that you must inform the program director, Director of the School of Education, and the Associate Dean of the College of Professional Sciences if your moral character statement or FBI/BCI status changes.

Required Documents:

1. **Tuberculosis Skin Test (PPD Skin Test)**
   TB tests are administered at Xavier University’s McGrath Health Center or at your own physician’s office. You will need to ask for documentation that indicates the date of the tests, the results, your signature, and the signature of the facility/person administering the test. Physicians have this form at their offices. We do not have these forms nor do we keep a copy of them in the School of Education. Please make a copy for your records. This test must be completed on a yearly basis.

2. **BCI/Bureau of Criminal Identification and Investigation/ FBI Fingerprinting** (completed on a yearly basis)
