

Xavier University
March 1, 2022

Dear Principals, Specialists and Graduates of the Xavier Educational Administration Program:

Xavier University's Educational Administration Program is offering a unique opportunity for those seeking an Ohio Superintendent License. The Superintendent license would offer candidates the appropriate credential for central office positions as well as the superintendency. In the 2022 Fall semester, an off-site Superintendent cohort will be offered for up to 15 candidates. Chad Hilliker (Superintendent of Hamilton County Educational Service Center), David Tobergte (Senior Teaching Professor at Xavier University) and several other area superintendent guests will lead this opportunity. Classes will be held at Hamilton County Education Resource Center and include an **off-site cost reduction of \$90.00 per semester hour** (total cost \$4,230.00 for 9 semester hour courses).

The three courses include:

- Superintendent Seminar (EDAD 710)
- Superintendent Internship 1 (EDAD 779)
- Superintendent II (EDAD 789)

These three courses lead to a Superintendent licensure. (Note: A graduate level Principalship course (EDAD 548) or a Pupil Personnel Class (EDAD 561) also needs to be completed, but often students completed this in their Principal/Administration degree program).

Professors Hilliker and Tobergte have a broad array of experience, which will create a unique atmosphere to prepare 15 candidates to be successful future Superintendents. They are committed practitioners and university professionals who are eager to prepare a group of promising school leaders. Current and relative experiences will be vital parts of these course experiences. Course work will include discussions, readings, demonstrations, practicums, outside activities and panel sharing. The intention is to have leaders ready to assume district-wide leadership at the completion of these course experiences.

Fall 2022 Tuesday Schedule (2 courses):

Superintendent Seminar (EDAD 710) - 3 semester hours

- | | | |
|--------------|-------------|---|
| August 23 | 4:30 - 6:15 | "Role of the Superintendent" |

*100 Superintendent field hours required.

General Topics integrated within the in-person classes that will be studied through the eyes of the Superintendent:

- *Instructional leadership*
- *Supervision and evaluation of Principals*
- *Effective communication and meetings*
- *Human Resource*
- *Collective bargaining*
- *School Board and political responsibilities*
- *School finance and budgeting*
- *School Law and working with lawyers*
- *Building operations, school district safety*
- *Change process and organizational culture*
- *Decision-making, ethical issues*
- *Superintendent/Board relations*
- *School and community relations*

We look forward to your involvement in this special opportunity. **Registration begins** for the EDAD 710, EDAD 779 & 789 on **April 4, 2022** for current students. New students must fill out a graduate non-degree/licensure seeking application and provide official transcripts and a Xeroxed copy of their administrative license to be admitted. Registration would be available through the office of the graduate school and online.

Questions may be sent to burtonb4@xavier.edu, tobergte@xavier.edu or hillikercc@xavier.edu.

Sincerely,

Dr. Brett Burton

Educational Administration Program Director, School of Education
