2025-2026 Parent Non-Tax Filer Verification

Your application for federal financial aid has been selected for review in a process called *verification*. Verification is the process used by the U.S. Department of Education to confirm that the data reported on your FAFSA form is accurate. Please review our website at www.xavier.edu/verification to learn more about this federal requirement. Financial aid offers for current/returning students will not be generated until verification is finalized. **Federal aid will not be disbursed for students who have not completed verification.** Please provide the required verification documents by June 15.

Your parent or parent's spouse/partner should complete this form only if they did not file and **are not required to file** a 2023 federal tax return (i.e., a 2023 IRS Form 1040 or 1040-NR, a tax return filed with Puerto Rico or another U.S. territory, or a foreign income tax return). If they filed a 2023 income tax return or are required to file but have not filed yet, please contact our office for assistance.

Submit a separate form for each parent contributor on your 2025-2026 FAFSA form who is not required to file a 2023 tax return.
