

TUITION EXCHANGE

Incoming Students for 2022-2023 Academic Year:

Awards in the Tuition Exchange Program are made on a competitive basis. In order to be considered for an award, the parent's institution must submit the necessary certification via the Tuition Exchange web site by the end of January. Only prospective first-year, first time students will be considered. The application for admission should be completed as soon as possible. *The student must apply for Admission and be accepted to Xavier by the end of January.*

All prospective incoming first-year applicants who have completed the admissions process and been accepted will be reviewed at the end of February. Students will primarily be selected on the basis of their academic record as well as other information on the Admission application.

Students will be notified on or after March 15 if they have been selected for the full-tuition scholarship award. To accept or decline this award, Xavier must be notified by May 1.

Xavier expects to award (annually) up to 10 full-tuition scholarships in the Tuition Exchange Program. General information as well as a listing of participating colleges and universities is available on the [Tuition Exchange](#) web site.

Students entering Xavier University under the Tuition Exchange Program are eligible for the undergraduate programs governed by the following policies:

1. Students entering Xavier University under the Tuition Exchange Program are granted tuition remission on a space available basis. Students must first meet all admission requirements and be accepted into the University.
2. The award is for full time students and only covers tuition. Students will be liable for a 10% user's fee. The fee is 10% of the tuition charge each semester. The fee will be listed on the student's e-bill each semester.
3. Ohio residents may qualify for the Ohio College Opportunity Grant (OCOG) as determined by filing the FAFSA, which helps with the cost of tuition. However, as this grant is tuition restricted, the Tuition Exchange award will be reduced by the amount of the OCOG.
4. The student is responsible for all room and board charges.
5. Study Abroad Programs are excluded from the Tuition Exchange Program, unless the student is billed tuition for the program by Xavier University. This would only be applicable in the Fall or Spring semester.
6. Tuition Exchange isn't applicable for students in the ABSN program.
7. Tuition Exchange covers a maximum of eight (8) semesters of full time attendance. Summer sessions are excluded.
8. Students must maintain at least a 2.0 grade point average, complete at least 67% of their attempted classes, and be certified annually by their home campus in order for the award to be renewed.
