- Basketball tickets- Information from Stephen Crossman for discounted Graduate Tickets
- Trivia night – Probably do a theme (Halloween), Kroger Gift cards, Players in groups of four, Thursday seemed to work well for students

- Festival of Lights- Family/ Friends event, Up to 5 tickets per Xavier Student, Cocoa Bar before the event at Xavier, No transportation this year
- Professional Day Development- Ask the dean, Resume check sign up through Student Success Center, Business card design/ordering opportunities, graduate student programs – overview of each,

Secretary

- International Student Coffee hour on the 18th of September 2019 at 3.30 pm (Way to engage with the International Graduate Students)
- Reach out to international graduate students to attend this coffee hour

Ideas Presented by the General Body

-Do a zoom coffee hour chat with all the online programs etc. This Coffee hour could be done in a way that online students in one location can meet up at a place and be on call with us over Zoom.

-Talent show involving the faculty, Staff and Students. Good way of making all the programs involved.

-Do an information session on all grad programs as not everyone is aware of all the programs (part of professional development day)

-Mrudula said we can may be have a table at their wellness fair event and do a collaboration along with SWAG. She works at the Hub hence she can be a contact person for any issues related to hub.

Issues Brought up about Campus

- No Printing papers at the hub
