

Green Umbrella

ENERGY
CHALLENGE

**Save Energy
Save Money
Take the
Challenge!**

The Challenge: Reduce Xavier University's energy consumption by 15% before 2020.

**SAVE
ENERGY**

The Green Umbrella Energy Challenge offers reduced cost whole-home energy assessments and cash incentives, up to \$500, for energy improvement measures made to households through the Greater Cincinnati Energy Alliance's Home Performance with ENERGYSTAR® Program. Eligible participants are Xavier staff, students and alumni living in:

- Hamilton County
- Boone County
- Kenton County
- Campbell County

We want you to take advantage of the Energy Alliance's programs so that you can lower your energy bills and improve your home's comfort, while contributing to the reduction of regional energy use.

**SAVE
MONEY**

For a limited time, the Energy Alliance is offering:

- **Reduced cost whole-home energy assessments**
- **Up to \$500 off home energy improvements to help make energy efficiency affordable**
- **Access to a network of trained and approved local contractors**
- **Access to low-interest financing**
