

EARLY DECISION PLAN FOR MEDICAL SCHOOL APPLICANTS

You may be interested in applying to a medical college under the Early Decision Plan. Application in this case is made between June 15 and August 1, and you apply to only one medical school. You agree to attend that school if you are accepted, and you agree not to apply to any other schools unless you are rejected. Early decisions are made by October 1, so if you are not accepted, you may then apply by the normal application process. The Early Decision Plan was designed for the above average applicant who has a good reason for wanting to attend one particular school over all others. It is not appropriate for every applicant.

PLEASE RETURN THIS FORM BEFORE JUNE 1ST TO THE COORDINATOR OF PRE-PROFESSIONAL HEALTH ADVISING (ALBERS 105A) IF YOU WANT A LETTER OF RECOMMENDATION FOR AN EARLY DECISION APPLICATION.
