# MAGIS IS AN INSPIRING, FAMILIAR WORD AT THE ROOT OF OUR MISSION.

It's also the reason we all work at Xavier University. If you are like me, your plate is full with the demands of work, family and community, yet we all find time to

achieve a spiritual balance which enables us to be free to choose how to give more. Every one of us at Xavier believes there is always more to be done in the "other duties as assigned" category.

Magis refers to the extent of the offering we make, to the depth and totality of the gift of ourselves. We maximize the fulfillment of our mission in the place where it matters most: in the hearts, in the minds, in the actions—in the very spirits—of our students. As someone who works to seek support for our students, I have the

opportunity to share their stories with our alumni and friends every day. Our students truly inspire me. They are why I consider the work I am privileged to do here more than a job.

I hope you are also inspired by the students who pass through your department and that you choose to go beyond the many contributions you already make by participating in the Faculty and Staff Annual Fund campaign. Your single gift can enrich the lives of our students. It also sends a powerful message to our external donors that those of us who are closest to Xavier want to do all we can in support of our mission. Support the Annual Fund with a gift of your choice—even to your own department or program—and know that the causes here at the University closest to your heart receive the benefit.

YOUR SINGLE GIFT TO THE ANNUAL FUND CAN ENRICH THE LIVES OF OUR STUDENTS.
