

Student Experiences with Faculty

This infographic of the National Survey of Student Engagement (NSSE) series explores student perceptions of two engagement indicators: Student-Faculty Interaction and Effective Teaching Practices.

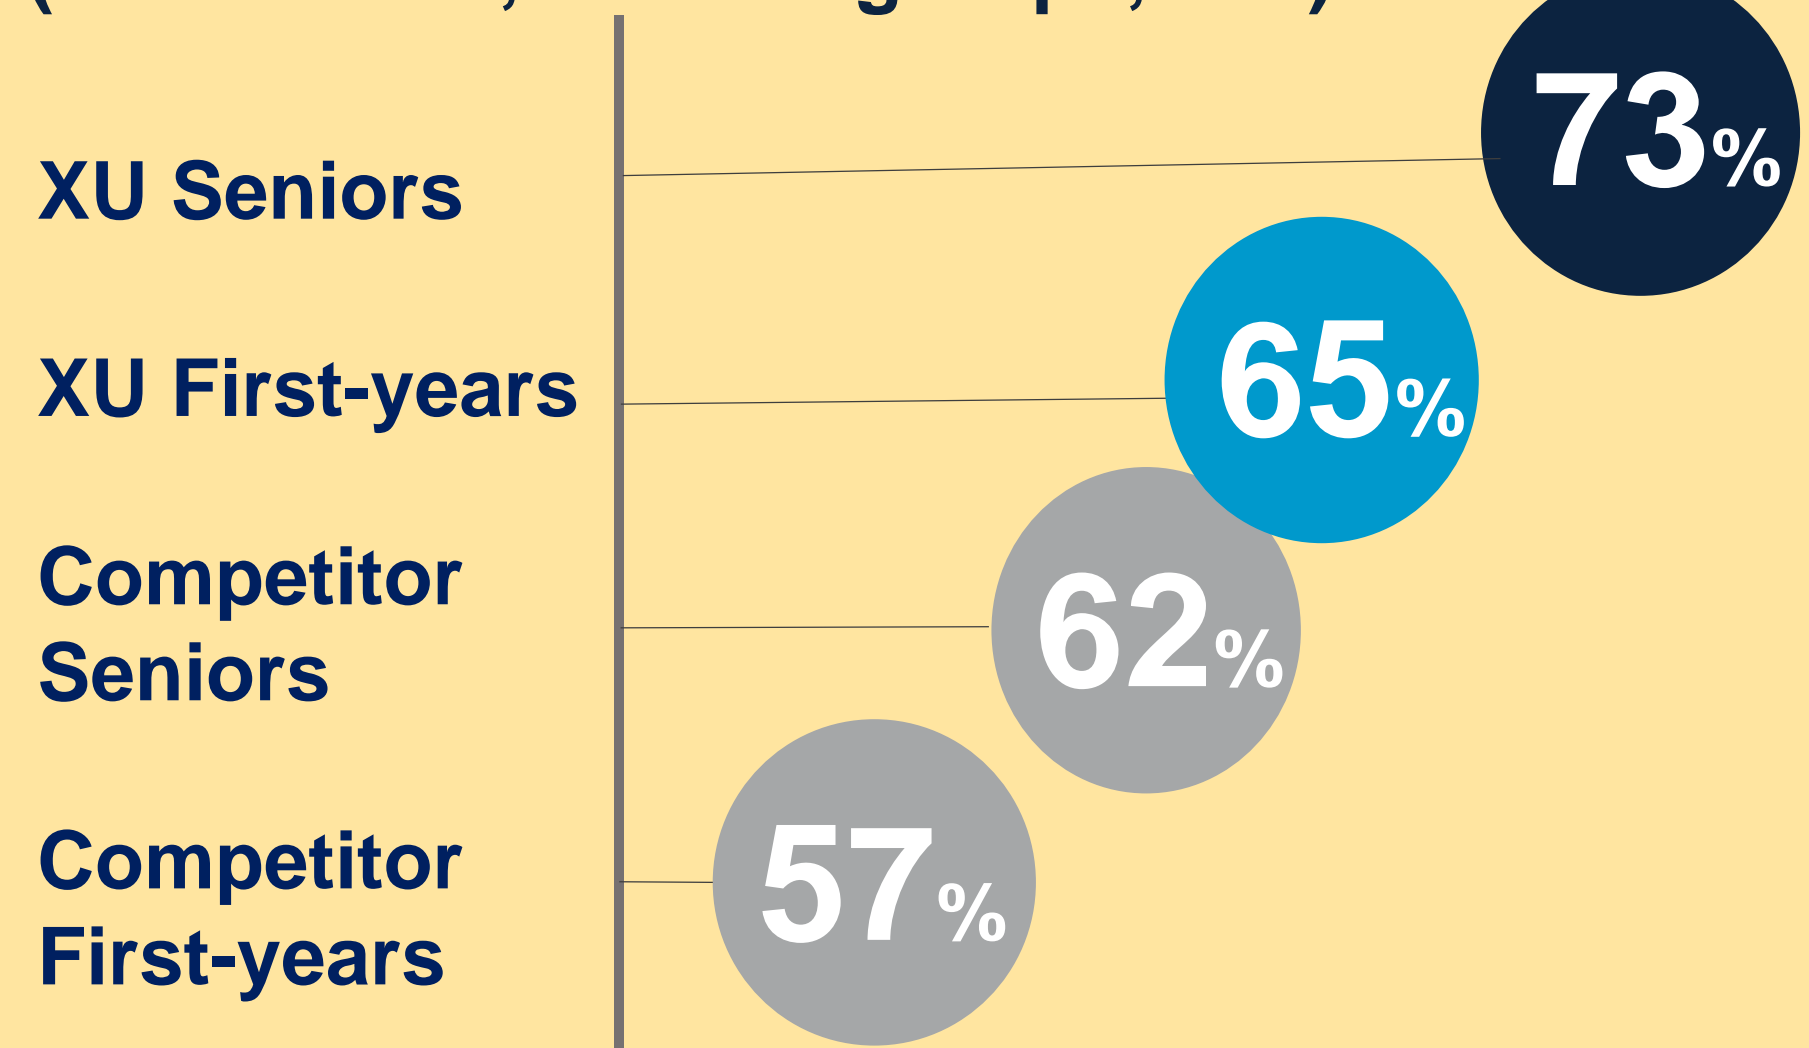

The NSSE infographic series features selected results from the NSSE administered to Xavier first-years and seniors in spring 2020; data collection ended just before the switch to remote learning. Response rates were 43% (n=533) for first-years and 32% (n=352) for seniors. For more information about Xavier's NSSE results, visit the Office of Institutional Research's [Nexus site](#).

Student-Faculty Interaction

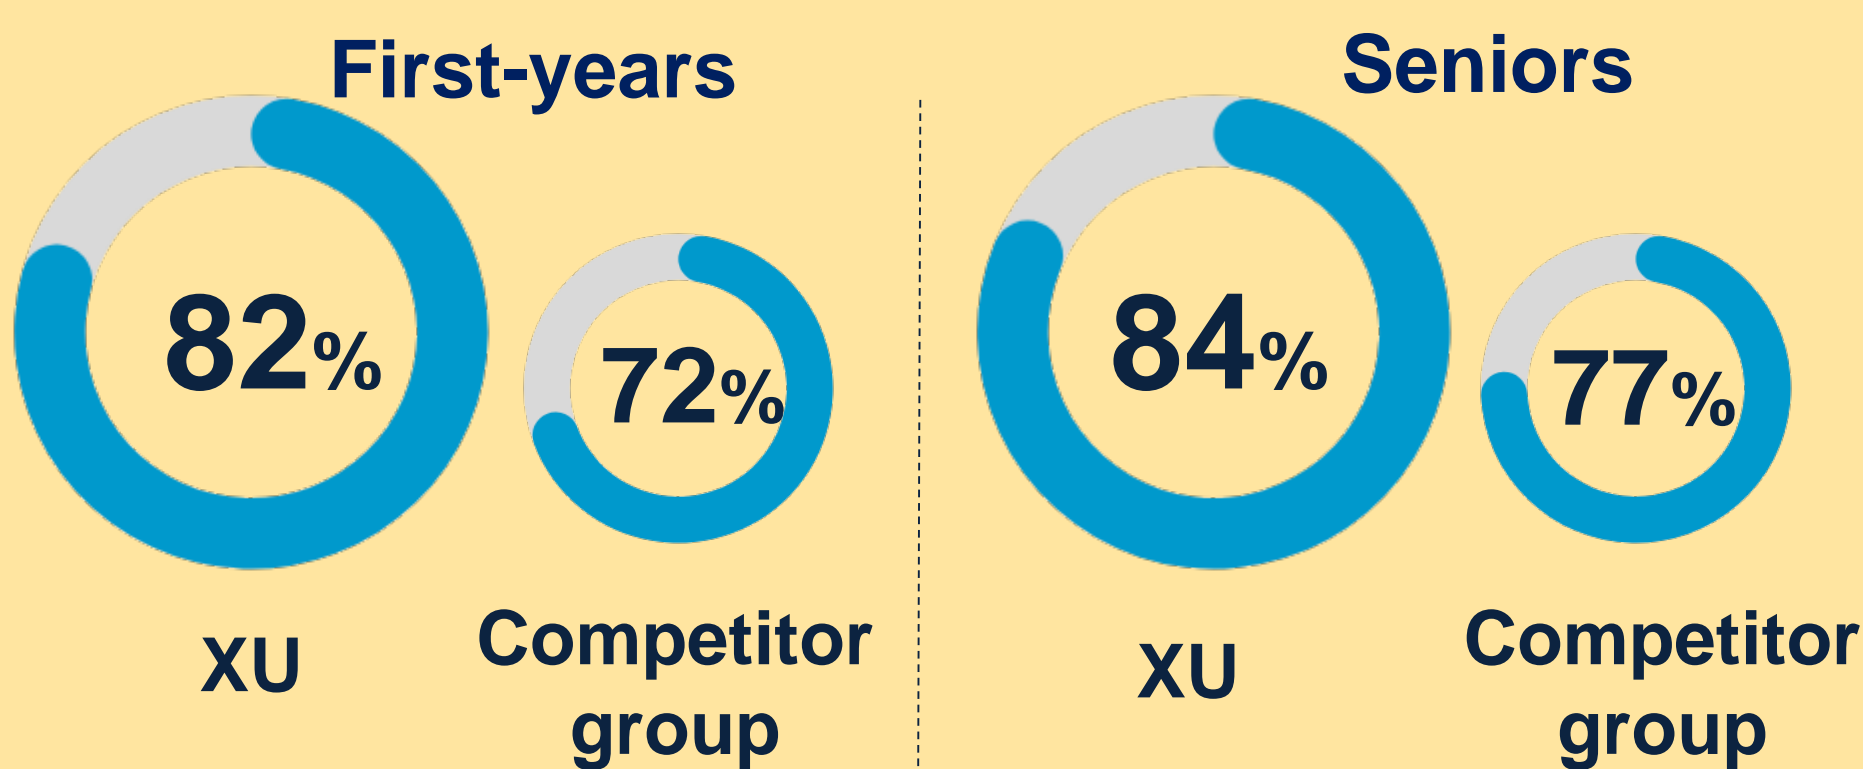

Talked about **career plans** with a faculty member

Worked with a faculty member on **activities other than coursework** (committees, student groups, etc.)

Discussed course topics, ideas, or concepts with a faculty member **outside of class**

Discussed your **academic performance** with a faculty member

Both Xavier **first-years and seniors** had statistically significantly **higher scores** than its NSSE competitor group peers in **Student-Faculty Interaction**

Effective Teaching Practices

Students reported that faculty...
