Student-to-Faculty Ratio Calculation

Fall 2022

IPEDS/CDS method:

Report the ratio of full-time equivalent students (full-time plus 1/3 part time) to full-time equivalent instructional faculty (full time plus 1/3 part time). In the ratio calculations, exclude both faculty and students in stand-alone graduate or professional programs such as medicine, law, veterinary, dentistry, social work, business, or public health in which faculty teach virtually only graduate-level students.

- Xavier stand-alone Graduate programs for 2020-21 include: Education Administration, School Counseling and Clinical Mental Health Counseling. Under-graduate and graduate students exclusively enrolled in not for credit courses are excluded in the Student to Faculty Ratio per IPEDS guidelines.
