### Student-to-Faculty Ratio Calculation

Fall 2023

IPEDS/CDS method:

Report the ratio of full-time equivalent students (full-time plus 1/3 part time) to full-time equivalent instructional faculty (full time plus 1/3 part time). In the ratio calculations, exclude both faculty and students in stand-alone graduate or professional programs such as medicine, law, veterinary, dentistry, social work, business, or public health in which faculty teach virtually only graduate-level students.

- Xavier stand-alone Graduate programs for 2023-24 include: Education Administration, School Counseling and Clinical Mental Health Counseling. Undergraduate and graduate students exclusively enrolled in not for credit courses are excluded in the Student to Faculty Ratio per IPEDS guidelines.
