Time is running out to take advantage of the workshops on preparing for remote teaching. If you are interested in scheduling time to see the Zoom technology being demonstrated, please register below. Registrants will receive pre-recorded videos of the course, including real-time demonstrations. Participants will explore multiple modalities for engaging students throughout each lesson. The workshop will focus on best practices for creating interaction and building community in Zoom meetings. By the end of the workshop, you will be able to:

- Establish effective instructor presence
- Address accessibility needs
- Create a safe learning environment
- Identify student participation
- Manage student behavior in Zoom meetings
- Support learners with diverse needs
- Design and deliver dynamic, interactive courses
- Establish a culture of collaboration in a remote or hybrid environment
- Reflect on and improve your teaching practice with a focus on student engagement and learning outcomes
- Use Zoom features effectively to enhance student learning
- Engage students in remote or hybrid learning environments
- Foster a sense of community in Zoom meetings

The workshop will be offered at the following time:

Wednesday, July 29, 1:00 PM - 3:00 PM

Click here to register for the workshop.

The workshop will be led by Michelle Miller, a Distinguished Teaching Fellow at Northern Arizona University. Her research focuses on innovative teaching practices and how to support hybrid teaching during the fall semester. She will share tips and strategies for using Zoom technology to create interactive and engaging online courses.

The workshop will be held online, and participants will be able to ask questions and participate in discussions. The workshop will be recorded and made available to all participants.

As we get closer to the start of the fall semester, on many people's minds are thoughts about teaching during COVID-19. Xavier's Teaching and Distance Learning team has been busy preparing for the upcoming semester and has compiled some useful resources to support you as you prepare for the fall semester. Be sure to scroll down to access this information.
