

Experience

10/14 – Director of University Library, Xavier University, Cincinnati, OH 45207

Administers all aspects of library services, resources and collections in support of student learning, academic programs, and faculty teaching and research, including strategic planning, employee development, and project management.

- Plans and manages the strategic direction and operational effectiveness of the University Library.
- Researches and implements the future technological direction of Library systems and resources.
- Leads the development and delivery of information literacy programs for faculty and students.
- Oversees library collection development, resource sharing and technical services areas, as well as University Archives and Special Collections.
- Develops and implements an overall library assessment plan.
- Provides personnel management for library staff, including hiring, professional development and performance reviews.
- Responsible for Copyright compliance through periodic review of policies and guidelines.
- Manages the department budget.
- Compiles statistics and prepares reports for departments, accrediting agencies, state agencies and/or professional organizations as needed.
- Serves on and supports internal and external committees, including the Library Committee, task forces, and consortia.

7/01 – 9/14 Director, Hanover College, Duggan Library, Hanover, IN 47243

Results oriented director responsible for all phases of library operation including budget, personnel management, assessment, resources, services, and programs, with an emphasis on transformation meeting user needs. Faculty status.

- Managed library staff through consultative leadership.
- Responsible for developing, monitoring, and approving expenditure of library operational budget.
- Provided collection development expertise including digital content.
- Developed and implemented continuous library assessment as well as library strategic plan.
- Facilitated library-specific donations, gifts, and donor cultivation.
- Reported statistics and served as College representative to consortia.
- Provided direct services to the campus community in reference and instruction in support of the curriculum.
- Accountable for building management, including overseeing upgrades and renovations.
- Library marketing, publicity and social media developer/contributor.

8/99 – 6/01 Coordinator of Information Services, Hanover College, Duggan Library, Hanover, IN 47243

Primary responsibility for coordinating and promoting library instruction and reference services. Faculty status.

- As coordinator and lead instructor for library instruction, increased sessions (31%) and attendance (47%) during first year.
- Supervised Interlibrary Loan service (2000/2001 academic year) including supervision of student workers.
- Performed reference collection development duties including budget responsibility.
- Developed, wrote, and served as editor for the Library's newsletter, the *Informer*.
- Planned, scheduled and staffed the reference desk, coordinating the involvement of all librarians.
- Served as head of the library's Information Services team including setting agenda for routine meetings.
- Served in place of the director's absence, including interim director during national search process.

Experience continued

5/96 – 7/99 Assistant Director, Education Services, SUNY Stony Brook, Health Sciences Center (HSC) Library, Stony Brook, NY 11794.

Education Services Coordinator responsible for planning and implementing initiatives for instructional program focusing on information management and retrieval skills. Senior Assistant Librarian rank.

- Supervised one professional librarian and coordinated teaching activities of five additional librarians.
- Designed and implemented a formal educational services program for the SUNY Stony Brook HSC Library that within three years of inception became a nationally ranked program according to annually published AAHSLD statistics.
- Planned and developed (with appropriate instructional aids and materials) ten library instruction courses.
- Co-developed the Computer Literacy course required for all first year medical students.
- Worked with Library Systems and Medical Informatics divisions providing integrated technology-based services.
- Participating member for School of Medicine task force involved with preparations for LCME accreditation visit with responsibility for information literacy component.
- Participated in shifting, serials shelf measurement, input for microcomputer lab design and equipment, and other duties as related to library renovation.

1/95 – 5/96 Coordinator of Database Access and Outreach Services, University of Arkansas for Medical Sciences, Health Sciences Library, Little Rock, AR 72120.

Responsible for providing and promoting electronic access and outreach services with additional duties in bibliographic instruction and reference. Assistant Librarian rank.

- Performed mediated online searches for faculty.
- Developed and maintained web page external links and updated library's home page.
- Developed and wrote outreach newsletter.
- Exhibited and marketed Grateful Med software and programs on behalf of National Network of Library of Medicine.
- Performed library instruction sessions and gave library tours to medical/nursing students.
- Produced support materials for electronic resources.
- Responsible for reference, database, and outreach statistics.
- Acted as liaison for AHEC (Arkansas Health Education Consortium) outreach program.

12/92 – 1/95 Library Technician, Department of Veteran Affairs, Library, Cincinnati, OH 45220

Library technician with primary responsibility for circulation, interlibrary loan, serials control, and user services.

- Responsible for all areas of Interlibrary Loan (borrowing, lending, copying, shipping, statistics, and financial records).
- Maintained user circulation records.
- Provided Table of Contents service for research staff.
- Responsible for serials check in and claims service.
- Maintained the Patient Education Resource Center.
- Performed reference duties for medical students, research staff, and hospital patients.
- Accountable for shelf reading of monographic collection.
- Provided A/V and equipment support.

5/92 – 5/93 Volunteer, Photographic Archives/Library, Cincinnati Historical Society, Cincinnati, OH 45203

Volunteer involved with numerous aspects of photographic archives under the direction of Linda Bailey.

- Created catalog cards for requested images.
- Worked on processing Kane collection consisting of several thousand photographs and transparencies.
- Created a reference collection development plan.
