NEW AWARDS FOR XAVIER MHSA IN AUGUST 2018

The first award is the “2018 Top Master’s of Healthcare Administration” list in which there is one program selected per State as “the best of the best in healthcare administration programs” based on what prospective students are looking for.

Xavier MHSA is the only program selected for all of Ohio because:
1. CAHME accreditation
2. Post-graduation employment rates—100% are employed within 90 days of graduation
3. Access to instructors
4. How well the program connects to local healthcare
5. Value (bang for the buck—that’s the next award)
6. CAHME Awards (XU has received two of the four awards)
7. Our third year residency
8. Full time and evening option
9. Small class size and cohort design

The second award is “35 Most Affordable CAHME-Accredited Master’s Degree Programs in Healthcare Administration” determined to be the most outstanding value in graduate education. Xavier is in the Midwest grouping and is one of only 7 programs selected. Our total tuition of $39,000 is $11,157 less than the average total tuition for similar programs in the Midwest. Xavier is one of only seven elite programs requiring the third year administrative residency, so when you consider that the average residency/fellowship stipend is $42,000, which covers tuition. Here are the links:

CONGRATULATIONS TO FACULTY MEMBER
Professor Dr. Eddie Hooker was a presenter at the annual meeting of the Association for the Healthcare Environment (AHE) on the topic, “Re-Evaluating Hospital Mattress Cleaning Methods to Reduce Hospital Acquired Infections”. The meeting was in Columbus, Ohio on September 24-25, 2018. AHE is the association of professionals who clean in healthcare organizations.

Men and Women for Others: Thinkers, Inspirers, and Leaders in Health Services Administration
