## EMHSA ONLINE PROGRAM

Beginning in fall 2020 the current Executive MHSA evening program will become the "EMHSA Online Program". MHSA faculty member **Dr. France Weaver** (pictured left) will serve as the **Associate Director for EMHSA Online**. She is working with MHSA recruitment coordinator **Amy Hellkamp** (also pictured) and Xavier for online student recruitment. We receive numerous inquiries from persons requesting the opportunity to be in Xavier's MHSA program but we have only had the in-seat option.

Dr. Weaver along with HSA faculty members, **Dr. Eddie Hooker** and **Dr. Peter Mallow**, developed the proposal outlining the switch from the existing in-seat executive MHSA program to a totally on-line format. The EMHSA Online program is designed for individuals having five+ years of experience in healthcare organizations in administrative, managerial, or clinical positions. The curriculum consists of 42 credit hours that could be completed in as little as two two years. EMHSA Online offers two key features:

1. Flexibility-- busy health professionals can take their careers to the next level.
2. Student Focus—close interactions with faculty and other students.

## HONOR FOR AN MHSA STUDENT FOR VETERANS DAY

MHSA first year student **Doug Nasby '22M** is a Navy Veteran who received a refurbished car from Progressive Insurance in the "Keys to Progress" program. This is a national program and Doug was one of only 100 Veterans across the country selected to receive a car. Doug was one of two Veterans in Cincinnati honored on November 7, 2019.

Progressive Insurance started "Keys to Progress" in 2013 to provide reliable transportation for Veterans. More than 600 Veterans have received cars thanks to the generosity of Progressive plus their network of auto-body shops, the National Auto Body Council, military, and charitable groups.
